

Wednesday Service 23rd June 2021

Things are slowly, oh so slowly returning to normal. Our Wednesday service used to be by ZOOM, a very poor substitute for having it in person. Now the Wednesday Service has returned to having it in person, and this week we all trooped round to the Ashe Hotel (as we did prior to this epidemic) and were warmly greeted by the hotel staff. A heartfelt 'thank you' to everyone who made the day so enjoyable.
